## Obstetrics, gynecology and perinatology

### *Original articles*

1. [CHRONIC PAIN WITH COMBINED PATHOLOGY OF THE PELVIC ORGANS IN WOMEN](#) /pp. 7-12

Beznoshchenko G. B., Moskovenko N. V., Kravchenko E. N., Kropmaer K. P., Tsygankova O. Ju., Beznoshchenko A. B., Levanovich E. M., Gritsyuk I. M.

2. [THE CHARACTER OF INTERLEUKIN-10 PRODUCTION BY PERIPHERAL MONOCYTES DURING INTRAUTERINE GROWTH RETARDATION](#) pp. 13-16

Boyko E. L., Sotnikova N. Yu., Mileeva P. L., Voronin D. N.

3. [DEEP INFILTRATIVE ENDOMETRIOSIS WITH AN EFFECT ON THE BOWEL. THE CHOICE OF THE OPTICAL SURGICAL APPROACH](#) /pp. 17-23

Gallyamov E. A., Aminova L. N., Nasyrova N. I., Murzina A. G., Zagainov E. V.

4. [EXPERIENCE OF LAPAROSCOPIC PELVIC EXENTERATION FOR WOMEN](#) /pp. 24-30

Galljamov Je. A., Biktimirov R. G., Sergeev V. P., Sanzharov A. E., Biktimirov T. R., Kochkin A. D., Volodin D., Zagajnov E. V., Gololobov G. Yu.

5. [OBSTETRIC AND PERINATAL OUTCOMES IN FETAL MACROSOMIA](#) /pp. 31-36

Gevorkyan R. S., Rymashevsky A. N., Volkov A. E., Nikitina E. S.

6. [CLINICAL ANAMNESTIC DATA OF FEMALE WITH PROLAPSE OF GENITALIA](#) /pp.

Ziganshin A. M., Kulavsky V. A.

7. [CLINICAL FEATURES OF PREGNANCY, CHILDBIRTH, THE POST-NATAL PERIOD AND THE STATE OF NEWBORN IN DIFFERENT AGE GROUPS OF WOMEN](#) /pp. 41-45

Ivanov I. I., Lyashenko E. N., Rumyantseva Z. S., Asanova L. D., Kumel'skii E. D.

8. [CHANGE OF THE OVARIAN RESERVE WITH ENDOCRINE INFERTILITY](#) /pp. 46-50

Ivanov I. I., Popova-Petrosyan E. V., Dovgan' A. A.

9. [FEATURES OF CIN IN PERSISTENT HUMAN PAPILLOMAVIRUS INFECTION](#) /pp. 51-57

Klinyshkova T. V., Buyan M. S.

10. [REGULATION OF THE SYSTEMIC AND LOCAL HUMORAL IMMUNE RESPONSE DURING ENDOMETRIOSIS](#) /pp. 58-62

Krasil'nikova A. K., Abdullaeva L. H., Malyshkina A. I., Sotnikova N. Yu., Antsiferova Yu. S.

11. [DYNAMICS OF CYTOKINES IN THE SERUM AND PLACENTA IN PREGNANT WOMEN WITH DIABETES MELLITUS](#) /pp. 63-67

Krukier I. I., Avrutskaya V. V., Smolyaninov G. V., Grigoryants A. A., Erdzhanian L. L., Degtyareva A. S., Nikashina A. A.

12. [IMMUNE ASPECTS OF EARLY-STAGE MISCARRIAGES: THE ROLE OF CD16+](#) /pp. 68-71

Lebedeva O. P., Zhukova I. O., Ivashova O. N., Pakhomov S. P.

13. [METHODOLOGICAL APPROACHES TO THE STATISTICAL ANALYSIS OF OBSTETRICAL HEMORRHAGES](#) /pp. 72-75

Malyshkina A. I., Pesikin O. N., Kuligina M. V.

14. [THE HEALTH OF CHILDREN WITH BODY WEIGHTS UNDER 1500 GRAMS IN THE NEONATAL PERIOD](#) /pp. 76-79

Matveeva E. A., Malyshkina A. I., Fil'kina O. M., Chasha T. V., Kharlamova N. V.

15. [UTERUS SCAR CONDITION AFTER ARGON PLASMA COAGULATION \(EXPERIMENTAL STUDY\)](#) /pp. 80-87

Ostromenskiy V. V., Borisov A. V., Glukhov E. Y., Antonov P. V., Butunov O. V., Astapova M. K.

16. [APPLICATION OF ULTRASOUND SCALPEL \(HARMONIC\) IN LAPAROSCOPY IN PATIENTS WITH POLYCYSTIC OVARIAN SYNDROME](#) /pp. 88-91

Pamfamirov Yu. K., Sapuntsova A. Yu., Evteeva E. A.

17. [FREQUENCY OF VAL66MET POLYMORPHISM OF BDNF GENE IN CHILDREN OF THE FIRST YEAR OF LIFE WITH PERINATAL DAMAGE OF THE CENTRAL NERVOUS SYSTEM OF MILD AND MODERATE DEGREES OF SEVERITY](#) /pp. 92-97

Papsheva E. A., Shokarev R. A., Kriventsova A. A.

18. [THE COMPARATIVE MORPHOLOGY OF THE VILLOUS CHORION AT 5–12 WEEK PREGNANCY AT THE CHRONIC ENDOMETRITIS COMPLICATED BY HABITUAL MISCARRIAGE AND ARTIFICIAL ABORTIONS](#) /pp. 98-103

Peretyatko L. P., Fateeva N. V., Kuznetsov R. A., Malyshkina A. I.

19. [PATHOGENETIC MECHANISMS OF FORMATION OF THE «PIPE ANGLES» SYNDROME AMONG PATIENTS OF REPRODUCTIVE AGE](#) /pp. 104-107

Petrova O. P.1 , Romanenko N. M.2 , Kurina I. Ya.

20. [A MODEL OF STRATIFICATION OF INDIVIDUAL RISK FACTORS FOR THROMBOPHILIA AMONG PATIENTS OF LATE FERTILE AGE WITH REDUCED REPRODUCTIVE POTENTIAL](#) /pp. 108-111

Pleskach E. S., Romanenko N. M.

21. [THE INFLUENCE OF NITRIC OXIDE AND IT'S DERIVATIVES FOR THE DEVELOPMENT OF CARDIOVASCULAR DISEASE IN WOMEN WITH POLYCYSTIC OVARY SYNDROME](#) /pp. 112-117

Pogorelova T. N., Kaushanskaya L. V., Gun'ko V. O., Kornilov A. A.

22. [FEATURES OF SOCIAL AND BIOLOGICAL MEDICAL HISTORY OF CHILDREN BORN OF SINGLETON PREGNANCIES AFTER IN VITRO FERTILIZATION](#) /pp. 118-122

Pykhtina L. A., Gadzhimuradova N. D., Fil'kina O. M., Malyshkina A. I., Nazarov S. B.

23. [PERINATAL OUTCOMES IN DIFFERENT TYPES OF TOCOLYTIC THERAPY](#) /pp. 123-129

Rybalka A. N., Ziyadinov Ar. A., Sulima A. N., Ziyadinov Al. A.

24. [LONG-TERM TREATMENT RESULTS OF TUBAL PERITONEAL INFERTILITY IN REPRODUCTIVE-AGE WOMEN](#) /pp. 130-134

Rybalka A. N., Sulima A. N., Anikin S. S., Beglitse D. A., Dizha M. A., Yakovchuk E. K.

25. [SOME MODERN CLINICAL AND MORPHOFUNCTIONAL ASPECTS OF INFLAMMATORY DISEASES OF THE UROGENITAL SYSTEM OF WOMEN](#) /pp. 135-139

Ryzhkov V. V., Khazhbiev A. A., Derevyanko T. I., Antashyan A. A., Kontlokova O. R., Ryzhkova E. V.

26. [MICROFLORA OF THE GENITAL TRACT AT TERM PREGNANCY](#) /pp. 140-145

Rymashevsky A. N., Naboka Y. L., Potapova M. V., Rymashevsky M. A., Volkov A. E., Nikitina E. S.

27. [CHARACTERISTICS OF THE CONTENTS OF THE VASOACTIVE INTESTINAL PEPTIDE AND NEUROTROPHIN NT4/5 IN THE BLOOD OF CHILDREN OF THE FIRST YEAR OF LIFE WITH DEVELOPMENTAL DISORDERS OF THE MOTOR FUNCTION](#) /pp. 146-150

Samsonova T. V., Zemlyanikin K. O., Nazarov S. B., Kuzmenko G. N., Popova I. G.

28. [A STUDY OF THE TOTAL ANTIOXIDANT ACTIVITY OF THE UMBILICAL CORD BLOOD AND LYSATE OF THE BLOOD VESSEL CELLS OF THE UMBILICAL CORD OF A NEWBORN BY THE CHEMILUMINESCENCE METHOD](#) /pp. 151-153

Sitnikova O. G., Popova I. G., Nazarov S. B., Kuzmenko G. N. Klycheva M. M.

29. [THE ROLE OF DETOXIFICATION GENES IN THE FORMATION OF GESTATIONAL PROCESS COMPLICATIONS IN WOMEN](#) /pp. 154-159

Suprun S. V., Kudryashova O. S., Nagovitsina E. B., Vlasova M. A., Morozova O. N.

30. [POLYMORPHISM OF GENES OF THE RENIN-ANGIOTENSIN-ALDOSTERONE SYSTEM IN WOMEN WITH HYPERTENSIVE DISORDERS IN PREGNANCY](#) /pp. 160-165

Fetisova I. N., Panova I. A., Malyshkina A. I., Fetisov N. S., Ratnicova S. Y., Rokotynskaya E. A.

#### ***Clinical case***

31. [Correction of precipitation of the vaginal dome after vaginal extirpation of the uterus](#) /pp. 166-169

Pamfamirov Yu. K., Khmara P. G., Samoylenko A. V.

#### ***Reviews***

32. [ACTUALITY OF THE FROZEN EMBRYO TRANSFER AND OPTIMIZATION OF THE ENDOMETRIUM PREPARATION FOR PATIENTS WITH MULTIPLE IMPLANTATION FAILURE](#) /pp. 170-178

Voronaya V. V., Rybalka A. N., Sulima A. N., Litvinov V. V.

33. [MODERN APPROACH TO TREATMENT OF ENDOMETRIOSIS IN PATIENTS PLANNING PREGNANCY](#) /pp. 179-184

Ivanov I. I., Prochan E. N., Tarasova E. S., Kosolapova N. V., Cheripko M. V.

34. [MODERN VIEWS ON THE PATHOGENESIS OF GENITAL ENDOMETRIOSIS: THE](#)

[ROLE OF HORMONAL, IMMUNOLOGICAL, AND GENETIC FACTORS](#) /pp. 185-189

Levkovich M. A., Ermolova N. V., Avanesova T. G., Markaryan I. V.

35. [PREVENTION OF PURULENT-SEPTIC COMPLICATIONS AFTER CESAREAN SECTION](#) /pp. 190-197

Ryzhkov V. V., Khazhbiev A. A
