

Tavrisheskiy Medico-Biologicheskiy Vestnic

T.20 №3v2 Volume 20 2017

Anniversaries

1. [THIS YEAR MARKS THE 90TH ANNIVERSARY OF A. P. KALININ, PATRIARCH OF THE NATIONAL SURGICAL ENDOCRINOLOGY: KEEPING BLESSED MEMORY OF THE SCIENTIST, TEACHER, SURGEON, ORGANIZER OF HEALTH CARE. ETUDES FROM THE BOOK :LIFE AND FATE PAGES OF THE PATRIARCH OF THE NATIONAL SURGICAL ENDOCRINOLOGY](#) /pp.

9-11

Styazhkina S.N., Kalinina S.A., Mikhailichenko V.Yu., Britvin T.A.

Original articles

2. [EVALUATION OF FACTORS INFLUENCING THE FUNCTIONAL ACTIVITY OF PARATHYROID ADENOMAS](#) /pp. 12-17

Alexandrov Yu. K., Kolobanov A. A., Oralov D. V.

3. [LONG-TERM ASYMTOMATIC COURSE OF HORMONAL-ACTIVE TUMORS OF ADRENAL GLANDS](#) /pp. 18-22

Atamanov V. M.

4. [GEOCHEMICAL FACTORS OF GOITER FORMATION](#) /pp. 23-27

Bezrukov O. F., Il'chenko F. N., Ablav E. E., Zima D. V.

5. [COMPLICATED COURSE AND NON-STANDARD SITUATIONS IN TREATMENT OF PATIENTS WITH PRIMARY AND TERTIARY HYPERPARATHYROID DISORDER](#) /pp. 28-33

Belokonev V. I., Galstyan N. E., Pushkin S. Yu., Kovaleva Z. V., Selezneva E. V.

6. [MODERN ASPECTS OF DIAGNOSTICS AND TREATMENT OF DISHORMONAL INFLAMMATORY DISEASES OF MAMMARY GLAND](#) /pp.

34-38

Belonenko G. A., Grintsov A. G., Shestopalova A. D., Aksenova E. G., Grintsov G. A.

7. [FEATURES OF DIAGNOSTICS AND CHOICE OF SURGICAL TACTICS IN BILATERAL ADRENAL TUMORS](#) /pp. 39-45

Beloshitskii M. E., Britvin T. A.

8. [EXPERIENCE IN THE SURGICAL TREATMENT OF SECONDARY HYPERPARATHYROIDISM WITH USE OF INTRAOPERATIVE MONITORING OF PARATHYROID HORMONE](#) /pp. 46-51

Il'icheva E. A., Bulgatov D. A., Zharkaya A. V., Roi T. A., Makhutov V. N., Borichevskii V. I., Karasev V. P., Aldaranov G. Yu., Ovakimyan G. A., Koryakina L. B., Ryzhikova S. V.

9. [MORPHOLOGICAL DIAGNOSTICS IN PATIENTS WITH RESULTS OF PREOPERATIVE FINE-NEEDLE ASPIRATION BIOPSY](#) /pp. 52-59
Butyrskii A. G., Mykhailichenko V. Yu. , Shupta Yu. B., Dubovenko V. V., Astapenko V. P., Khozhirakhimov M. Kh., Serdyukova A. S.
10. [STUDY ON LIFE QUALITY IN PATIENTS WITH BENIGN THYROID PATHOLOGY PRIOR TO SURGERY AND AFTER IT](#) /pp. 60-67
Vertyanin S. V., Duboshina T. B., Askerov M. R., Grekov V. V., Turlykova I. A.
11. [POST-THERAPEUTIC WHOLE-BODY SCAN AFTER A COURSE OF RADIOIODINE ABLATION IN THE MANAGEMENT OF PATIENTS WITH DIFFERENTIATED THYROID CANCER](#) /pp. 68-73
Geliashvili T. M., Vazhenin A. V., Yaitsev S. V., Vasil'eva E. B.
12. [IMMEDIATE AND URGENT OPERATIONS IN PATIENTS WITH THYROID DISEASES COMPLICATED BY COMPRESSION OF NECK AND MEDIASTINUM](#) /pp. 74-80
Gostimskii A. V., Romanchishen A. F., Selikhanov B. A., Lisovskii O. V., Gavshchuk M. A., Prudnikova M. D.
13. [RARE SEVERE BONE FORM OF HYPERPARATHYROSIS \(TO THE 60TH ANNIVERSARY OF HYPERPARATHYROSIS DESCRIPTION\)](#) /pp. 81-85
Grintsov A. G., Zubov A. D., Mykhailichenko V. Yu., Akhrameev V. B., Shestopalova A. D., Samarin S. A.
14. [THE RESULTS OF TRANSPLANTATION AND RETRANSPLANTATION OF CULTURES OF PANCREATIC CELLS IN YOUNG PATIENTS SUFFERING FROM SUGAR DIABETES TYPE 1](#) /pp. 86-91
Grintsov A. G., Mykhailichenko V. Yu., Alekseenko A. A., Nesterov N. A., Shestopalova A. D., Samarin S. A.
15. [DYNAMICS OF THE LIFE QUALITY PARAMETERS AT REMOTE PERIODS IN PATIENTS AFTER OPERATIONS ON THE THYROID GLAND](#) /pp. 92-96
Duboshina T. B., Vertyanin S. V., Askerov M. R., Grekov V. V.
16. [ULTRASOUND INVESTIGATION AT THE STAGES OF SURGICAL TREATMENT OF PATIENTS WITH THYROID DISEASES](#) /pp. 97-102
Dyakiv A. D., Alexandrov Yu. K., Belyakov I. E.
17. [EFFECTS OF TRANSPLANTING THE CULTURE OF AUTOLOGICAL PARATHYROCYTES ON INNATE IMMUNE RESPONSE IN EXPERIMENT](#) /pp. 103-108
Zharkaya A. V., Lepekhova S. A., Il'icheva E. A., Zaritskaya L. V., Batunova E. V., Andayeva T. M., Koval' E. V.
18. [TACTICAL ASPECTS OF INTRA- AND PERIOPERATIVE MANAGEMENT OF PATIENTS WITH SURGICAL PATHOLOGY OF THYROID AND PARATHYROID GLANDS](#) /pp. 109-115

Zarivchatskii M. F., Blinov S. A., Kravtsova T. Yu., Denisov S. A., Mugatarov I. N., Volkov Yu. V., Kolevatov A. P.

19. [INTRAOPERATIVE MONITORING OF PARATHYROID HORMONE IN SURGICAL TREATMENT OF PRIMARY HYPERPARATHYROIDISM \(AN ANALYSIS OF 118 OBSERVATIONS\)](#) /pp. 116-119

Il'icheva E. A., Makhutov V. N., Zharkaya A. V., Ivanova T. V., Zagorodnyaya A. N., Aldaranov G. Yu., Bulgatov D. A., Karasev V. P., Borichevskii V. I., Ovakimyan G. A.

20. [WATCH-AND-WAIT APPROACH FOR PATIENTS WITH MULTINODULAR GOITER: EXPECTED DEVELOPMENT OPTIONS](#) /pp. 120-124

Katalov A. N., Aleksandrov Yu. K., Belyakov I. E.

21. [MORPHOLOGICAL CHANGES OF PARATHYROID IN PRIMARY AND SECONDARY HYPERPARATHYROIDISM](#) /pp. 125-128

Kiseleva T. P., Sokolova A. Yu., Torosyan M. R.

22. [PURULENT-NECROTIC LESIONS OF LOWER LIMBS AND WOUND SEPSIS IN PATIENTS WITH DIABETES MELLITUS – DIAGNOSTIC AND TACTICAL FEATURES](#) /pp. 129-133

Konovalenko A. V., Balatskii E. R., Zhuravleva U. I., Klimenko V. A., Atamanov V. M.

23. [NEUROENDOCRINE PANCREATIC TUMORS](#) /pp. 134-139

A. V. Kostyrnoi., N. V. Voronov., A. N. Voronov

24. [TACTICAL APPROACHES FOR MANAGEMENT OF ELDERLY AND SENILE PATIENTS WITH THYROTOXICOSIS IN OUTPATIENT PRACTICE OF SURGEONS AND THERAPISTS](#) /pp. 140-145

Kravtsova T. Yu., Zarivchatskii M. F., Blinov S. A., Denisov S. A., Teplykh N. S., Kamenskikh E. D., Mugatarov I. N., Kolyvanova M. V.

25. [THE RESULTS OF TREATMENT OF DIABETIC FOOT SYNDROME BY MODERN DRESSINGS](#) /pp. 146-150

Krivoshchekov E. P., Elshin E. B. , Romanov V. E.

26. [THYROID AND PARATHYROID GLANDS: AN ANALYSIS OF THE SURGICAL TREATMENT RESULTS](#) /pp. 151-156

Kulikovskii V. F., Karpachev A. A., Yarosh A. L., Soloshenko A. V., Zharko A. G., Nikolaev S. B., Karpacheva E. Yu., Kasianov B. V.

27. [THE RESULTS OF MORPHOLOGICAL STUDIES OF WOUND PROCESS DYNAMICS IN PATIENTS WITH DIABETIC FOOT SYNDROME UNDER THE INFLUENCE OF VARIOUS MEDICAL COMPLEXES](#) /pp. 157-162

Lukin P. S., Vinogradov A. B., Mugatarov I. N., Ponomareva T. B.

28. [A CONCEPT OF DIAGNOSTICS AND TREATMENT OF SURGICAL DISEASES OF THE THYROID GLAND](#) /pp. 163-170

Maistrenko N. A., Romashchenko P. N., Krivolapov D. S., Prishvin A. P.

29. [OPTIMUM TACTICS OF THE SURGICAL TREATMENT OF PATIENTS WITH BENIGN DISEASES OF THE THYROID GLAND](#) /pp. 171-176
Makarov I. V., Galkin R. A., Lukashova A. V., Sidorov A. Yu., Shibanov V. J., Ahmataliev T. H., Romanov R. M.
30. [SURGICAL TREATMENT OF HYPERPARATHYROIDISM IN PATIENTS WITH CHRONIC KIDNEY DISEASE ON PROGRAM HEMODIALYSIS](#) /pp. 177-183
Makarov I. V., Galkin R. A., Lukashova A. V., Koposov I. S., Khokhlova D. O.
31. [PRIMARY HYPERPARATHYROIDISM. THE FIRST EXPERIENCE OF DIAGNOSTICS AND SURGICAL TREATMENT EVALUATION](#) /pp. 184-189
Makarov I. V., Galkin R. A., Lukashova A. V., Prokof'eva N. A., Khokhlova D. O.
32. [INTRAOPERATIVE MONITORING OF THE PARATHYROID HORMON LEVEL AT SURGICAL TREATMENT OF PATIENTS WITH COMBINATION OF PRIMARY HYPERPARATHYROIDISM AND BENIGN NODULAR GOITER](#) /pp. 190-194
Men'kov A. V., Kurova E. S.
33. [BONE FORM OF PRIMARY HYPERPARATHYROIDISM – A CLINICAL EVENT](#) /pp. 195-199
Mikhailichenko V. Yu., Karakursakov N. E., Samarin S. A., Trofimov P. S., Reznichenko A. M., Shtoda D. E.
34. [THE IMPACT OF THE GROTH OF THYROID NODULES ON THE PATIENTS' LIFE QUALITY](#) /pp. 200-204
Molozhavenko E. V., Petrov V. G.
35. [DIFFERENTIAL DIAGNOSTICS OF NORMOCALCEMIC HYPERPARATHYREOSIS WITH USE OF THE DIAGNOSTIC “TEST WITH ALFA-CALCIDOL”](#) /pp. 205-211
Pamputis S. N., Lopatnikova E. N.
36. [CYTOLOGIC RESEARCH AT PUNCTURE BIOPSY OF PARATHYROID GLANDS](#) /pp. 212-220
Pamputis S. N., Lopatnikova E. N.
37. [PECULIARITIES OF DIAGNOSTIC AND TREATMENT TACTICS FOR COMPRESSION SYNDROME IN PATIENTS WITH BENIGN THYROID DISEASES](#) /pp. 221-226
Piksin I. N., Vilkov, A. V., Davydkin, V. I., Golubev A. G., Pryanikov I. R.
38. [EXPRESSION OF IMMUNOHISTOCHEMICAL MARKERS IN TISSUES OF PARATHYROID GLANDS IN PATIENTS WITH PRIMARY HYPERPARATHYROIDISM](#) /pp. 227-232
Rogozin D. S., Sergiiko S. V., Rogozina A. A.
39. [PHEOCHROMOCYTOMA IN PREGNANCY: A LITERATURE REVIEW AND AN ANALYSIS OF OWN CLINICAL OBSERVATIONS](#) /pp. 233-239

Lukyanov, S. A., Sergiyko S. V.

40. [DIFFERENTIAL APPROACH TO OPERATIONAL INTERVENTION IN ASPECT OF THYROID PATHOLOGICAL CONDITIONS](#) /pp. 240-244

Sigal Z. M., Surnina O. V.

41. [EVALUATION OF THE QUALITY OF LIFE OF WOMEN AFTER SURGICAL TREATMENT OF DIFFERENTIATED THYROID CANCER ON THE BACKGROUND OF SUPPRESSIVE THERAPY WITH LEVOTHYROXINE](#) /pp.

245-251

Sokolova A. Yu., Kiseleva T. P.

42. [INCIDENTALOMAS AND LOW-SYMPHTOMATIC ADENOMAS OF PARATHYROID GLANDS](#) /pp. 252-256

Tereshchenko I. V., Zalesnaya N. E.

43. [DYNAMICS OF WOUND PROCESS DURING THERAPY WITH USE OF CLARITHROMYCIN IN RATS WITH EXPERIMENTAL DIABETES](#) /pp. 257-261

Fedoseev A. V., Siforov R. V., Murav'ev S. Yu.

44. [AN ANALYSIS OF THE RESULTS OF SURGICAL TREATMENT OF VENTRAL AND POSTOPERATIVE HERNIAS USING LAPAROSCOPIC IPOM TECHNOLOGY IN PATIENTS WITH EXCESSIVE BODY WEIGHT](#) /pp. 262-267

Khitar'yan A. G., Kislyakov V. N., Zavgorodnyaya R. N., Veliev K. S., Kovalev S. A., Orekhov A. A., Mezherits A. V.

45. [PECULIARITIES OF MOBILIZATION OF THE THYROID GLAND FOR PREVENTION OF TRAUMATIC INJURY](#) /pp. 268-272

Khitar'yan A. G., Zavgorodnyaya R. N., Veliev K. S., Kovalev S. A., Orekhov A. A., Alibekov A. Z., Alukhanyan O. A.

46. [A PREDICTION MODEL FOR THE TOPOGRAPHY FEATURES OF THE PARATHYROID GLANDS WITH USE OF REGRESSION ANALYSIS](#) /pp. 273-280

Chernykh A. V., Maleev Yu. V., Shevtsov A. N., Golovanov D. N.

47. [CRITICISM OF DIAGNOSTIC SYSTEMS TIRADS AND TBSRTC](#) /pp. 281-285

Yanovskaya E. A., Aleksandrov Yu. K., Yanovskaya M. E.

48. [ELASTOGRAPHY IN DIAGNOSTICS OF NODAL FORMATIONS IN THE THYROID GLAND](#) /pp. 286-289

Styazhkina S.N., Poryvaeva E.L., Ledneva A.V., Chenyshova T.E.

49. [THE DEGREE OF COMORBID PATHOLOGY IN DIFFUSE-NODAL GOITER AND ITS DYNAMICS AT THE POSTOPERATIVE PERIOD](#) /pp. 290-294

Styazhkina S. N., Chernyshova T. E., Poryvaeva E. L., Demina M. A., Ledneva A. V., Matusevich A. E.
