

Information from **PRACTICE DEPARTMENT** for 2nd, 3rd, 4th and 5th year students

You have got **ONLY THREE ATTEMPTS** to get credited for summer practice:

- 1) just after the summer practice **in summer 2024 (already passed!)**
- 2) the first retake **on 02.12.2024 (already passed!)**
- 3) the second **commission** retake **30.05.2025**.

Those who have already failed first two attempts in summer and in December, **MUST REWORK IT AND GET THE CREDIT by 30.05.2025** to **YOUR** teacher not to have the third commission attempt failed!

If you turn to your teacher **at the end of May**,
YOU WON'T HAVE ENOUGH TIME
to rework it by 30.05.2025!

Each rework lasts 2-3 hours every day after classes – **it takes 1-2 months!**

You should begin searching for your tutor NOW!
In January-February!!!

On completing your rework since 03.12.2024 to 30.05.2025 you should get a signature in the grade book and the examination sheet with the date of 30.05.2025! The examination sheet must be submitted on 30.05.2025!

If you get a signature in the grade book since 03.12.2024 to 29.05.2025,
it doesn't mean you are credited
until the examination sheet is filled and submitted
by 30.05.2025!

Workers of Practice Department and the Dean's Office take into account
ONLY EXAMINATION SHEETS RESULTS!

The retake will be accepted only after your teacher submits
the **THIRD COMMISSION ATTEMPT EXAMINATION SHEET** on 30.05.2025
with a passing mark

The **6th year students** have similar conditions, but the terms are different:

- 1) the credit just after the practice has **already passed!**
- 2) the first retake is assigned to **01.03.2025**.
- 3) the second **commission** retake will be appointed on **01.04.2025!**

6th year students not passed their practice by 01.04.2025
WON'T BE ALLOWED TO TAKE THEIR FINAL STATE EXAMS!
