

Information from **PRACTICE DEPARTMENT**

You have got **ONLY THREE ATTEMPTS** to get credited for practice!

For the **2nd, 3rd and 4th year students**

(for the 1st, 2nd and 3rd years of study)

- 1) just after the summer practice **in summer 2025 (already passed!)**
- 2) the first retake **on 06.12.2025!**
- 3) the second **commission** retake **on 30.05.2026.**

For the **5th year students**

(for the 4th year of study)

THERE ARE THREE TYPES OF PRACTICE –

Respectively there are **THREE CREDITS**

- 1) just after the winter practice **held last winter 2025 (already passed!)**
- 2) the first retakes **on 26.04.2025 (already passed!)**
- 3) the second **commission** retakes **on 27.12.2025!**

For the **6th year students**

(for the 5th year of study)

- 1) just after the winter practice **held last winter and spring 2025 (already passed!)**
- 2) the first retakes **on 31.05.2025 (already passed!)**
- 3) the second **commission** retakes **on 31.01.2026!**

Those who have already failed first two attempts,

MUST REWORK IT AND GET THE CREDIT to YOUR teacher

not to have the third commission attempt failed!

AFTER THE 3RD ATTEMPT DATE IT'S IMPOSSIBLE TO REWORK PRACTICE
and the students having not reworked practice ARE EXPELLED!

If you turn to your teacher **at the last week, YOU WON'T HAVE ENOUGH TIME**
to rework it on time!

Each rework lasts 2-3 hours every day after classes – **it takes 1-2 months!**

You should begin searching for your tutor NOW!

IN SEPTEMBER!!!

On completing your rework,
you should get a signature in the grade book and the examination sheet
with the corresponding date!

The examination sheet must be submitted to the practice department!

If you get a signature in the grade book, it doesn't mean you are credited
until the examination sheet is filled and submitted!

Workers of Practice Department and the Dean's Office take into account
ONLY EXAMINATION SHEETS RESULTS!

The retake will be accepted only after your teacher submits the **THIRD COMMISSION ATTEMPT EXAMINATION SHEET** with a passing mark!

The examination sheets can be submitted by teachers **ONLY ON CERTAIN DATES:**

- On **06.12.2025** (**second attempt** for courses 2, 3 and 4);
- On **27.12.2025** (**third attempt** for course 5);
- On **31.01.2026** (**third attempt** for course 6);
- On **30.05.2026** (**third attempt** for courses 2, 3 and 4).

HOW TO REWORK PRACTICE

- 1) Come to your inspector at the dean's office and fill in the application form for practice rework;
- 2) Find your last year practice order via the link
<https://ma.cfuv.ru/students/praktika/prikaz/>
- 3) Define your name, your supervisor's name and the hospital name from the practice order;
- 4) Inform your supervisor the following data:
 - full name;
 - name of practice you are reworking (for which course);
 - name of your supervisor according to the practice order;
 - name of the hospital according to the order.

**It is necessary to discuss with your supervisor
WHEN, WHERE and WITH WHOM you should rework your practice!**

YOU SHOULD ASK ALL THESE QUESTIONS TO YOUR SUPERVISOR!!!
